Elaine Pasqua

*Sunday, August 28
Campus Center Gym*

5:00 pm

Ninety seven thousand college students are sexually assaulted each year across the country!!!!

For the past 14 years, Elaine has been traveling to campuses across the United States; warning thousands of students about the consequences of high-risk behaviors while motivating them to make healthy choices. Through hard facts, emotional stories and playful humor, Elaine will highlight the effects of alcohol abuse on decision-making skills and the negative consequences that can result. Audience members are on their feet and are placed in real-life situations as Elaine promotes sexual responsibility and healthy communication through thought-provoking hands-on activities, and role-playing exercises.
