Nursing Care Plans: Nursing Diagnosis and Intervention	REF RT49.N87 2007

- ✓ Use the library catalog to search for more books, including hundreds of e- books, at <http://familycat.holyfamily.edu/>

## RESEARCH DATABASES

Use research databases to find journal articles. The following databases are recommended for research on nursing and health—access them through the library's *Research Databases* page

(<http://www.holyfamily.edu/library/database.shtml> ) or directly at the addresses below :

- **CINAHL Plus with Full Text** (Ebsco) <http://search.ebscohost.com>
- **Medline with Full Text** (Ebsco) <http://search.ebscohost.com>
- **The Cochrane Library of Systematic Reviews** <http://www.thecochranelibrary.com/>
- **Health Source: Nursing** (Ebsco) <http://search.ebscohost.com>
- **PsycInfo and PsycArticles** <http://search.ebscohost.com>

- ✓ Ask a librarian for the **username** and current **password** to log into databases from off campus.

## JOURNALS AND MAGAZINES

In addition to our electronic subscriptions available through the databases, the library receives a variety of print journals related to health science. Some examples include:

- **Nursing Research**
- **Nursing Science Quarterly**
- **Journal of Nursing Administration**
- **JAMA**
- **American Journal of Nursing**
- **Journal of Transcultural Nursing**
- **Medsurg Nursing**
- **Journal of Pediatric Nursing**

- ✓ Use the library catalog to find more print journals at <http://familycat.holyfamily.edu/>
- ✓ Use the Journal Locator to see if a journal is part of our online and/or print collections at <http://www.tdnet.com/hfu>. (If a journal is not available, we'll get a copy of the article you need for you. A request form is online at <http://extra.holyfamily.edu/library/libbooks.asp>)

## GREAT WEBSITES

**Centers for Disease Control and Prevention** – <http://www.cdc.gov/>

*Part of the U.S. Department of Health and Human Services, the CDC provides information on a range of infectious and chronic diseases. Browse by "Diseases & Conditions" or search by name.*

**Medline Plus** – <http://www.nlm.nih.gov/medlineplus/>

*Trustworthy information on a range of health topics, diseases, and medications.*

**International Public Library Resources Page** <http://www.ipl2.org/div/subject/index.html>

*Select "Health & Medical Sciences" for IPL's gateway to information about nursing & health.*

**Mayo Health Clinic** – <http://www.mayoclinic.com>

*Information about a range of health, nutrition, and medical topics for professionals and consumers.*

**Lippincott's Nursing Center** — <http://www.nursingcenter.com/home/index.asp>

*Open-access website from one of the largest publishers of nursing textbooks.*

- ✓ Find more nursing information at <http://www.holyfamily.edu/library/nursingtools.shtml>

**QUESTIONS?** Holy Family librarians are available to assist you!
