RESEARCH DATABASES

Use research databases to locate journal articles. The following databases are recommended for information about nursing and health-- access them through our research databases page (<http://www.holyfamily.edu/library/database.shtml>) or directly at the addresses below:

- **PsycInfo and PsycArticles** (Ebscohost) <http://search.ebscohost.com>
 - **Social Sciences Full Text** (WilsonWeb) <http://hwwilsonweb.com>
 - **SAGE Premier** <http://online.sagepub.com/search>
- See also **PsycBooks** (Ebscohost) database for full-length, electronic *books* on psychology topics. These are also accessible through the library catalog.
- Ask a librarian for the **username** and current **password** to log into databases off-campus.

JOURNALS AND MAGAZINES

In addition to our electronic subscriptions available through the databases, the library receives a variety of print journals related to health science. Some examples include:

- **Educational & Psychological Measurement**
 - **Journal of Applied Behavior Analysis**
 - **Personality & Social Psychology Bulletin**
 - **Psychology in the Schools**
 - **Educational Psychologist**
 - **Counseling Today**
- Use the library catalog to find more journals at <http://familycat.holyfamily.edu/>
