

RADIOLOGY RESOURCES

@ Holy Family University Library & LRC

Fall 2010

USEFUL BOOKS

- Merrill's Atlas of Radiographic Positions & Radiologic Procedure REF RC78.4 .B35 2007
(on reserve at the Circulation Desk)
- Gale Encyclopedia of Medicine REF RC41 .G35 2006
- Textbook of Radiographic Positioning and Related Anatomy REF RC78.4 .B66 2005
- Taybi and Lachman's Radiology of Syndromes, Metabolic Disorders... REF RC78 .T25 2007
- Patient Care in Interventional Radiology REF RD33.55 .B37 2002
- Radiology: Diagnosis, Imaging, Intervention REF RC78.7 .D53 .R33 2004
- ✓ Use the library catalog to search for more books at <http://www.holyfamily.edu/library/>

RESEARCH DATABASES

Use research databases to locate journal articles. The following databases are recommended for information about radiology, health, and medicine—search them via the library's *Research Databases* page (<http://www.holyfamily.edu/library/database.shtml>) or directly at the addresses below:

- **Academic Search Premier** (Ebscohost) <http://search.ebscohost.com>
- **CINAHL Plus with Full text** (Ebscohost) <http://search.ebscohost.com>
- **Medline with Full text** <http://search.ebscohost.com>
- **Health Source: Nursing** (Ebsco) <http://search.ebscohost.com>

✓ Ask a librarian for the **username** and current **password** to log in to the databases from off campus.

JOURNALS AND MAGAZINES

In addition to electronic subscriptions to journals such as **Cardiovascular and Interventional Radiology** and **Applied Radiology** available through our databases, the library receives a variety of print journals related to radiologic science, including:

- **RT Image**
- **Journal of Vascular & Interventional Radiology**
- **Diagnostic Imaging**
- **Radiology Management**

✓ Use the library catalog to find more print journals at <http://www.holyfamily.edu/library/>

✓ Use the Journal Locator to see journals we subscribe to online: <http://www.tdnet.com/hfu>

GREAT WEBSITES

Medline Plus – <http://www.nlm.nih.gov/medlineplus/>

Trustworthy information on a range of health topics, diseases, and medications.

International Public Library Resources Page <http://www.ip12.org/div/subject/index.html>

Select "Health & Medical Sciences" for IPL's gateway to information about nursing & health.

Healthfinder.gov – <http://www.healthfinder.gov/>

U.S. Department of Health & Human Services website. Includes information about a range of health, nutrition, and medical topics for professionals and consumers.

RadiologyInfo – <http://www.radiologyinfo.org/>

Information about diagnostic, interventional, and therapeutic radiologic procedures. Also includes streaming videos that explain and demonstrate a variety of techniques.

SearchingRadiology.com - <http://www.searchingradiology.com/>

Peer reviewed radiology information, including online anatomy atlases & journals.
